

ZYLK HEALTH – TERMS OF SERVICE

Last Updated: July 2026 Corporate Entity: InGenX Labs (OPC) Private Limited / Zylk Health
Governing Jurisdiction: Tirunelveli, Tamil Nadu, India

Welcome to Zylk Health ("Platform", "we", "us", "our"). By accessing our website, completing a health assessment, or purchasing a Care Plan kit, you ("User", "you") agree to be bound by these Terms of Service ("Terms"), our Privacy Policy, and our Care Plan & Medical Informed Consent.

Please read these Terms carefully as they contain critical information regarding your use of the Platform, payments, shipping, our limitations of liability, and a mandatory arbitration agreement.

Corporate Operations: The Platform is managed and operated by InGenX Labs (OPC) Private Limited, based in Tirunelveli, Tamil Nadu. 1.2. Age Requirement: You must be at least 18 years of age to use this Platform, create an account, or request a Care Plan. Under the Indian Contract Act, 1872, minors cannot legally enter into a binding contract. By submitting your phone number or making a purchase, you explicitly warrant that you are 18 years of age or older.

Technology Intermediary: Zylk Health operates strictly as a technology and e-commerce intermediary under the Information Technology Act, 2000. We provide the digital infrastructure to connect you with independent Registered Medical Practitioners (RMPs) and facilitate the sale and delivery of health, cosmetic, and wellness products. Zylk Health itself does not practice medicine, nor are we a registered pharmacy. E-prescriptions generated on the platform are issued by independent RMPs, and Schedule H drugs are dispensed by our licensed third-party pharmacy partners.

Single-Click Verification: By submitting your phone number and clicking the verification button at checkout, you provide explicit consent under the DPDP Act, 2023, to receive transactional messages (OTPs, hair assessment reports, doctor outreach, and shipping updates) via Phone and WhatsApp. Your verification also constitutes consent to receive expert hair care tips and Zylk Health promotional offers via WhatsApp. You retain the right to opt out of promotional messages at any time using the "Stop" or "Unsubscribe" prompts within WhatsApp. Opting out of marketing will not disrupt your transactional medical updates.

All prices displayed on the Platform are in Indian Rupees (INR) and are inclusive of applicable GST unless stated otherwise. The display of products does not guarantee that a prescription will be issued. Payments made at checkout are processed as advance authorizations for the bundled service. Payments are processed via secure, RBI-authorized payment gateways. We reserve the right to decline or cancel any order if we suspect fraudulent activity, unauthorized use of a credit/debit card, or violation of these Terms. In such cases, the payment will be reversed to the original source.

Orders containing prescription medications will only be dispatched after the reviewing RMP has clinically approved the Care Plan and generated an e-prescription. Approved orders are typically processed and dispatched from our Tirunelveli fulfillment center within 72 business hours. Standard delivery times range from 3 to 7 business days depending on your location in India. Zylk Health relies on third-party logistics partners and is not liable for delays caused by weather, public holidays, or unforeseen operational issues by the courier. The risk of loss and title for all products pass to you upon our delivery of the items to the logistics carrier.

If the assigned RMP rejects your requested Care Plan for clinical or safety reasons, your order will be automatically cancelled, and a 100% refund will be initiated to your original payment method within 5-7 business days. Due to strict health, safety, and hygiene regulations, all pharmaceutical drugs, FSSAI-regulated dietary supplements, cosmetic topicals, and physical tools (e.g., derma-rollers) are strictly non-returnable and non-refundable once dispatched. If your kit arrives physically damaged, tampered with, or contains the wrong items, you must notify our customer care within 48 hours of delivery with photographic evidence to be eligible for a free replacement.

All medical liabilities, assumption of risks regarding side effects, allergies, and telemedicine limitations are governed strictly by the Care Plan Consent, which you accept alongside these Terms. Zylk Health assumes no liability for adverse medical outcomes resulting from the use of the Platform or the products sold.

To the maximum extent permitted by applicable Indian law, the total cumulative liability of Zylk Health, InGenX Labs (OPC) Private Limited, its venture studio partners, and its logistics affiliates for any damages, losses, or causes of action (whether in contract, tort, or otherwise) shall not exceed the total amount paid by you to Zylk Health for the specific transaction giving rise to the claim.

Arbitration Agreement: Any dispute, claim, or controversy arising out of or relating to these Terms, the use of the Platform, or the purchase of products shall be resolved exclusively by mandatory, binding arbitration. The arbitration shall be conducted by a sole arbitrator appointed mutually by the Parties in accordance with the Arbitration and Conciliation Act, 1996. The exclusive seat and venue of arbitration shall be Tirunelveli, Tamil Nadu, India. You explicitly waive any right to bring a claim in a consumer court or any other public court outside of this jurisdiction, and you agree to proceed solely in your individual capacity (waiving all rights to class action lawsuits).

If any provision of these Terms is found to be unenforceable, invalid, or void under the Consumer Protection Act, 2019, or the Indian Contract Act, 1872, that specific provision shall be severed or modified to the minimum extent necessary, and all remaining provisions shall remain in full force and effect.
